With the nation in the midst of economic strife, will Muldoon hang on for a fourth term? Or will Lange bring 'piggy' down and return Labour to office? Will Jones' New Zealand Party establish itself as the voice of the Right? Or will Beetham's message 'cut through' to New Zealanders and gain support for Social Credit? Whatever the case, General Election 1984 promises to be one of the most eventful elections that New Zealand has ever had.. A series of controversial decisions has culminated in Governor-General John Kerr's dismissal of Prime Minister Gough Whitlam nad his appointment of Malcolm Fraser, who did not have a lower house majority, in his place.. Hiya, in the event you have landed on this site it is fairly likely you have been searching on where to buy.. Description Prime Minister Robert Muldoon has met his match in the charismatic and eloquent Labour Party leader David Lange..
